League Information: 9 Hole Friday Night Couples League 2023

The Friday Night Couples League will start on Friday May 19th. We are planning to incorporate several different formats such as scramble, alternate shot, shamble, best ball, and individual stroke play to keep the league fun and interesting.

Please note this is primarily a fun / social league. Family and friends are welcome to join. Subs and guests are also welcome. You are not required to play every week. With that in mind, we ask that you call or email the pro shop in advance if you cannot make it on any of the league nights so we can adjust the schedule accordingly.

Prize money will be \$20 per person due on the first night to pay for weekly prizes and the year end banquet. Greens fees are \$14 per week with an optional cart fee of \$10, totaling \$24 per person.
